## *The Venue*

Dating back to 1842, Marybank stands as one of Adelaide's oldest privately-owned residences in South Australia, serving as the cherished Fox family home for over 180 years. Nestled on our sprawling 60-acre hills face property, just 15 minutes from Adelaide's CBD, Marybank offers not only breathtaking views of the city but also a tranquil escape in the Adelaide foothills.

The property, boasting abundant gardens and a working vineyard, provides a beautiful and inviting space for various occasions. The meticulously restored historic barn now caters to relaxed weddings, featuring chic Barn Loft on the upper level for couples. Our reclaimed red brick Terrace, adorned with a spectacular Wisteria and framed by the Banksia Rose, adds to the charm, creating an iconic backdrop with the barn doors.

## Weddings

Marybank is renowned for its picturesque hills face setting, offering panoramic views of Black Hill just minutes from Adelaide's CBD. Host your exclusive garden ceremony on our Wedding Lawn, a charming journey along the rustic path, passing the historic 'Milking Shed' towards cypress pines and a hedged lawn. Surrounded by the native Australian bush, you'll feel transported to another place. The rambling Mediterranean garden,

adorned with large red gum trees, bathes the area in dappled light. Our Wedding Lawn accommodates up to 120 guests, providing a bespoke, relaxed, and private atmosphere that is simply beautiful—a picturesque oasis conveniently close to the city.

## Celebrations

At Marybank Estate, we go beyond weddings to offer the perfect canvas for your family or corporate celebrations. Imagine hosting your milestone birthdays, family reunions, or corporate events amidst the natural beauty of our 60-acre estate. Whether it's an intimate family affair or a corporate gathering, Marybank provides a warm and inviting atmosphere, creating memories that last a lifetime.
